### **South Dakota Youth Trooper Academy Overview**

#### **The Program:**

The South Dakota Youth Trooper Academy is a cooperative effort between the South Dakota Highway Patrol and the American Legion of South Dakota.

Our mission is to recruit young men and women from culturally diverse backgrounds from across the state of South Dakota, and to increase their understanding of the job of a state trooper. The program is designed to expose young adults to the demands of Highway Patrol Recruit training and to develop better relationships between the youth of our state and the Highway Patrol.

The Youth Trooper Academy is an intensive, one-week, residential learning experience for young adults who are entering their senior year of high school or have just graduated high school in 2021. The Youth Trooper Academy is held at the South Dakota Law Enforcement Training Academy in Pierre, South Dakota. The Youth Trooper Academy is not a summer camp and is not designed for troubled teenagers. The program is mentally and physically demanding. The Youth Trooper Academy utilizes a paramilitary approach to training, and discipline is strict. Candidates should be highly motivated, of good moral and ethical character, and have an interest in a career in law enforcement.

Veteran South Dakota Highway Patrol Troopers will serve as mentors and chaperones during the week. Troopers and members from other law enforcement agencies throughout the state of South Dakota will provide classroom and hands-on training in topics such as firearms safety, defensive driving, crash investigation, traffic stops, leadership, defensive tactics, and criminal law. Youth Academy Recruits will also get to experience demonstrations from the Highway Patrol's special operations section such as aircraft operation, SWAT, and Police Service Dogs.

Recruits that graduate from the program will be proud of their accomplishments. The lessons learned from this program will serve them well for years to come.

The 2021 South Dakota Youth Trooper Academy runs June 21 – 25, 2021. Space in the program is limited to 24 students from across the state.

#### **Qualifications:**

The program is open to male and female high school students who are entering their senior year of high school or have just graduated high school in 2021 and have an interest in a career in law enforcement.

Candidates must be in good academic standing with their high school. They must be of good moral character and present a well-groomed appearance.

The candidates must possess a valid SD driver license.

The Youth Trooper Academy is physically demanding; those requiring special diets or having physical needs will be looked at on a case by case basis. Cafeteria style food will be served. The program is open to all, regardless of race, color, gender, religion, or national origin.
